MMHSS Charity Golf Tournament 2025

Join Us for the 28th Annual Charity Golf Tournament Support the Mid-Maine Homeless Shelter & Services and Help Make 2025 Our Most Impactful Year Yet!

We are excited to invite you to participate in the **28th Annual Charity Golf Tournament**, benefiting **Mid-Maine Homeless Shelter & Services (MMHSS)**. Your involvement plays a vital role in helping us deepen our impact and expand our reach in 2025—and we can't do it without you.

MMHSS is more than a shelter. We are an innovative, full-service agency committed to meeting the complex and varied needs of individuals and families experiencing homelessness in our region. Each year, our **radically inclusive shelter** provides nearly **20,000 bed nights** to individuals facing significant life challenges. But that's only part of the story.

Here's the truth: If we want to reduce encampments and support our unhoused neighbors, we need to invest in **safe, accessible emergency housing** — shelters that offer not just a bed, but a **path forward**.

According to a 2025 MaineHousing study, high-impact emergency shelters like MMHSS — which provide case management, housing navigation, landlord connections, and healthcare referrals — cost **\$102/day to operate**. Yet right now, shelters receive just **\$7.16 in funding** per person. It's time to **close the gap**.

Most people experiencing homelessness aren't struggling with addiction or mental illness — they simply can't afford rent. Every year, our prevention and rapid rehousing programs help **hundreds of families** stabilize and rebuild. But the need keeps growing.

The solution is clear: Housing — and for some, supportive services — ends homelessness. Let's stop managing the crisis and start solving it.

For nearly three decades, the Charity Golf Tournament has been the **cornerstone of our fundraising efforts**—and it continues to be one of the most meaningful ways for community members and businesses to make a tangible difference. Be part of the movement. Together, we can build a future where **everyone has a place to call home**.
